Perhaps park up the car & link with public transport on the outskirts of the city.

We would strongly advise that patrons park with a view to ease of leaving the city at the end of the concert - This generally means using recognised car parks on the outer perimeter and either walking or using public transport to Croke Park. Do not park in restricted or 'no parking' areas as a robust parking enforcement operation will be in place. 'Clamping' will be in operation to combat illegal parking.

PLEASE NOTE THE FOLLOWING INFORMATION:

An Garda Síochána will have a traffic management plan in operation. For full details please visit www.garda.ie. Please plan your approach to the venue based on the following:
